COMMISSION DIRECTIVE

Dear Licensee:

The City's annual "Summer Streets" program will be taking place this year on Saturday August 7, 2010, Saturday August 14, 2010, and Saturday August 21, 2010. The Summer Streets program involves the closing of Park Avenue from Central Park at E. 72nd Street to Foley Square. The route also involves the closing of the streets along the route that feed Park Avenue.

As a result, all carters must conclude waste pickup in these areas by 5:30 AM on each of the three program dates. Carters will not be permitted in or around the designated program route on those days. The program concludes at 1:00 PM and carters may resume pickups and service at 2:00 PM. BIC enforcement agents will be onsite to enforce the safe maintenance of the program area. To find a map of the street closings please go to the BIC website at www.nyc.gov/bic.

You are reminded that your failure to abide by this Commission Directive could result in administrative penalties of up to \$10,000. See 17 RCNY §1-09. Furthermore, your failure to abide by this Commission Directive may affect your licensing status before the Commission.

Sincerely,

A handwritten signature in black ink that reads "Michael J. Mansfield" followed by a long, sweeping horizontal flourish.

Michael J. Mansfield
