NON-RESIDENTIAL WATER AUDITS. - CP/2 - PIN# 82605BCSICI5 - DUE 11-30-2004 AT 4:00 PM

BCS-ICI05 Vendor Source ID:21085

The New York City Department of Environmental Protection (DEP) is seeking a consultant to provide engineering services to perform water audits on non-residential buildings, primarily city owned and determine the potential for increased water efficiency. Goal tasks for the proposer will be to identify and evaluate the cost-effectiveness of efficiency measures; develop standard savings calculations; expand DEP's Understanding of Water Use among industrial/commercial/institutional customers; test operational procedures for auditing and develop evaporative cooling tower training materials for DEP inspectors.

Minimum qualifications must be either:

Professional engineering firms with demonstrated experience in water efficiency studies of non-residential buildings or plumbing engineering; or

companies specializing in water/energy efficiency studies who employ a licensed Professional Engineer and which have demonstrated experience in plumbing engineering and water efficiency studies on non-residential building.

The Request for Proposal is available from the noted location beginning October 15,2004.

A pre-proposal conference will be held Wednesday, November 10, 2004 at 11:00AM, NYCDEP, 96-05 Horace Harding Expressway, 1st Floor Low Rise Conference Room, Corona, New York. A Maximum of two persons from each proposer may attend. Attendance at the pre-proposal conference is not mandatory, but is recommended.

Description

CORRECTION: NEW YORK CITY WATER SUPPLY SYSTEM AQUEDUCT TUNNEL AND SHAFT PROJECTS CONSTRUCTION SERVICES AND DESIGN ASSISTANCE - RE-SOLICITATION

CORRECTION: CORRECTION: This is a re-solicitation; the original solicitation was issued in December, 2003. The New York City Department of Environmental Protection ("DEP") is establishing a Pre-Qualified List ("PQL") of General Contractors to compete for contracts to provide construction services for New York City Water System aqueduct tunnel and shaft reconstruction and repair projects, and design assistance in developing the scope and approach for some aspects of those projects. The City Water aqueduct tunnel system consists of both long (up to 75 miles in length) and deep (more than 300 feet in depth) concrete lined high-pressure rock, shallow cut and cover masonry tunnels (up to 20 feet diameter) and access shafts. The DEP intends to advertise for competitive sealed bids or proposals to provide the construction services listed below. Contractors will be required to demonstrate experience with this type of work and financial capability for the contract duration as described below.

Construction Work : Construct access improvements to shaft sites; Inspect flooded and unwatered shafts and tunnels; Reconstruct and operate existing shaft and tunnel unwatering pumping systems; Construct and operate new shaft and tunnel unwatering pumping systems; Perform shaft and tunnels repairs and reconstruction; Disinfect tunnels and place into service; Perform unwater inspection and construction

Perform shaft and tunnel repairs on an emergency basis.

Design Phase Assistance: Participate in design workshops for shaft and tunnel unwatering system improvements and tunnel repairs; Prepare construction schedules; Perform constructability reviews. The General Contractor qualifications should include mechanical, civil, structural, site, electrical, diving capabilities to perform shaft and tunnel inspection, construction repair and ventilation capabilities.

Submittals shall include the following types of information; additional information may be submitted as an attachment to the qualification package:

Project Experience: A minimum of three completed projects and current projects with similar requirements including references. Successful experience in construction projects shall be demonstrated by the General Contractor. The General Contractor shall possess a good track record of projects undertaken in the fields of tunnels and shafts; their construction, dewatering and reconstruction and/or repair as demonstrated by case records of tunnels worked on in the past five to ten years. Information such as adherence to program, cost control, demonstrated quality and good safety performance of the General Contractor will be considered. **Organization and Staffing:** An organization chart showing the firms and individuals that may be assigned to work on these types of projects, including subconsultants and subcontractors and full resumes for each person. Qualifying resumes should show a minimum of five years experience in a senior position with construction or reconstruction of tunnels. The information about the General Contractor, individual persons, consultant, and subcontracting firms shall be relevant to the work at hand and shall demonstrate particular capability for executing this work. Particular expertise in heavy underground construction, sinking shafts, driving tunnels and aqueducts, performing heavy deep underwater mechanical construction, constructing cut and cover tunnels and aqueducts, disinfection of tunnels and aqueducts, installing shaft hoisting equipment in deep shafts (greater than 300 feet), installing underground facilities, control of water inflows into tunnels with pressures greater than 250 psi, grouting under high water pressures (greater than 250 psi) in deep tunnels and shafts, installing steel liners in tunnels and shaft, dealing with ground support in difficult rock and soil conditions, tunnel ventilation systems and construction of electrical and mechanical systems for tunnel and aqueduct systems shall be demonstrated. The lead member and all key members for design phase assistance shall be New York registered Professional Engineer(s). The information shall be organized to respond to each of the work areas noted above.

Quality Assurance and Quality Control: Quality certification documents and company quality assurance manuals. The General Contractor and Subcontractors shall describe the quality assurance and quality control procedures that are typically used for these types of projects for both construction and design assistance.

Safety: A description of the safety management procedures and safety plan for construction sites, shafts and tunnels used for these types of projects and demonstrate past records of good safety

performance.

Financial Capability: Demonstrate the financial capacity to undertake and manage large-scale projects. Qualifying firms applying singly or as the lead firm of a consortium or joint venture shall also meet the following minimum requirements: Have successfully completed work of an aggregate project value in excess of \$200 million during the last 3 years, with at least one contract over \$50 million.

Alternatively, successfully completed or working on at least one large project with a value more than \$150 million during the last 3 years.

A Non-mandatory Pre-submittal conference will be held on Tuesday October 26, 2004 at the offices of Malcolm Pirnie, 75-20 Astoria Blvd., Jackson Heights, New York 11370 at 10:00 AM. Attendance is limited to General Contractors; a maximum of two persons from each General Contractor may attend. By October 19th, each General Contractor shall submit the following information for each person that will be attending the Pre-submittal conference: full name, full address, employer name and address, date of birth, social security number, valid driver's license number, and office and cell phone numbers. The DEP intends to perform background checks, upon which each person will be notified if they may attend the conference. Please fax the information to Mr. Steve Elie-Pierre at (718) 595-6137. In addition, each General Contractor shall sign a confidentiality statement concerning the information that will be presented at the pre-submittal conference. This statement will be transmitted to the principle of each General Contractor and must be signed and returned prior to the pre-submittal conference in order to gain entry.

All submissions will be reviewed by an Evaluation Committee ("EC"). Interviews may be required as part of the Pre-Qualification process. Pre-Qualification will be based upon the EC's recommendations.

Qualifications are to be delivered to Debra Butlien, Department of Environmental Protection, 59-17 Junction Boulevard, 17th Floor Bid Room, Flushing, New York 11368 and are due no later than 4:00 PM (EST) on Wednesday, November 24, 2004.

All submitters will be notified if they have been deemed qualified, within 90 days after receipt of a complete Pre-Qualification package.

The City is not responsible for costs incurred in the preparation of any documents relative to this advertisement.

REHABILITATION OF BRUCKNER EXPRESSWAY OVER WESTCHESTER CREEK, BRONX - Competitive Sealed Proposals / Judgment required - PIN# 84104BXHR709 - DUE 11-4-2004 AT 2:00 PM

The proposed Engineering Services is necessary for the City to perform Resident Engineering and Inspection Services for the Rehabilitation of Bruckner Expressway over Westchester Creek (Unionport Bridge). Qualifications will be evaluated based on the following criteria:

- Satisfactory prior experience providing REI services on at least one completed movable bridge

reconstruction project of cost of at least \$20 Million within the last 10 years including the complete replacement of drive machinery and electrical control systems.

- Services of a Movable Bridge Expert licensed in the State of New York qualified as a specialist in the construction of movable bridges to supervise fabrication and replacement of the machinery and electrical systems for a movable bridge.
- Services of a Resident Engineer licensed in the State of New York with satisfactory prior experience in the rehabilitation of a movable bridge with a project cost of \$20 Million within the last ten years including the complete replacement of drive machinery and electrical control systems.
- Provide mechanical testing and inspection services to monitor the offsite fabrication and assembly of mechanical and electrical components for movable bridge project.
- Services of Mechanical and Electrical Engineers with 10 years of experience in design and construction of large movable bridge projects.

A deposit of \$50.00 in the form of a certified check or money order made payable to New York City Department of Transportation is required to obtain bid/contract documents. NO CASH ACCEPTED. Refund will be made only for contract Bid/Proposal documents that are returned in its original condition within 10 days after Bid Opening. Any persons delivering bid documents must enter the building through 220 Church Street, New York, NY. Due to increased building security bidders should allow extra time when delivering bids and should ensure that proper photo identification is available upon request. Please ensure that your company's address, telephone and fax numbers are submitted by your company (or messenger service) when picking up contract documents. Hours 9:00AM - 3:00PM. For additional information please call Dr. Paul-Michael Kazas at (212) 442-7654.

DOCUMENT IMAGING SERVICES – Negotiated Acquisition (S/A) – PIN# 003OCT200411 – DUE 10-11-04 AT 3:00 P.M. – The Board of Elections intends to enter into a Negotiated Acquisition with Xerox The Document Company to acquire Document Imaging Services. Any firm which believes it can also provide this service in the future is invited to so indicate by letter at Board of Elections, 42 Broadway, 7th Floor, New York, NY 10004, Attention: Elliot Borack.

The ACCO has determined that for this particular procurement it is in the City's best interest to negotiate with only the subject contractor based on the fact the supplier is the current contractor and pursuant to 3-04(b)(2)(l)(D) of the PPB Rules and there is a compelling need to negotiate with the subject contractor to ensure continuity of services.

PROTECTION AGAINST MARINE BORERS - Competitive Sealed Proposals / Judgment required - PIN# 84104MBBR657 - DUE 10-25-2004 AT 2:00 PM

The proposed Resident Engineering Inspection Services is necessary to be performed by the Consultant are to ensure that the work of the Contractor conforms to the provisions of the contract documents. Services to be performed include detailed inspection and on-site field tests of all materials and items of work as is customary; field measurement and collection of data necessary to submit monthly and final estimates and progress reports; preparation of record plans showing all changes from the contract plans. A diary describing the progress of the work, specific problems encountered and all other pertinent information relative to the execution of the contract, and all records, shall be kept in accordance with the Manual for Uniform Record Keeping (MURK). The Consultant will be responsible for preventing delays in the Contractor`s procedures by giving constant attention to the adequacy of the contractor`s personnel and equipment and the availability of necessary materials and supplies.

Particular encouragement is extended to Disadvantage Business Enterprise (DBE) firms for Federal Aid/NYS DOT Aid Projects. A deposit of \$50.00 in the form of a certified check or money order made payable to New York City Department of Transportation is required to obtain bid/contract documents. NO CASH ACCEPTED. Refund will be made only for contract Bid/Proposal documents that are returned in its original condition within 10 days after Bid Opening. Any persons delivering bid documents must enter the building of 40 Worth Street through 220 Church Street, New York, NY. Due to increased building security bidders should allow extra time when delivering bids and should ensure that proper photo identification is available upon request. Please ensure that your company's address, telephone and fax numbers are submitted by you company (or messenger service) when picking-up contract documents. For additional information, please contact Dr. Paul-Michael Kazas at (212) 442-7654.

Description

HUNTS POINT SITE C – RFP – DUE 11-18-04 AT 4:00 P.M. – New York City Economic Development Corporation (“NYCEDC”) is seeking proposals for the long-term lease and development of an approximately 10.5-acre vacant parcel located along Food Center Drive in Hunts Point, the Bronx (the “Site”). The Site is located within the Hunts Point Food Distribution Center and is bounded by Food Center Drive to the west, 400 Food Center Drive to the north, the Bronx River to the east and 600 Food Center Drive to the south. Containing wholesale produce and meat markets, as well as a soon-to-be-completed fish market, the Food Distribution Center serves more than 15 million customers in the greater New York City area.

NYCEDC is seeking uses for this Site that are consistent with and complementary to the surrounding market uses, and that would contribute to the overall economy of this area of the Bronx. Proposals must be limited to food-related uses, including warehouse, processing, handling, storage and wholesale distribution of food, flowers or ornamental plants.

A question-and-answer session to discuss the Site will be held on October 13 at 9:30 a.m. and a site visit will be held on October 14; to attend the question-and-answer session and/or the site visit, call (212) 312-3871 on or before October 8, 2004. Interested parties are strongly encouraged to attend both.

Due Date 11/18/04	Solicitation. Request for Proposals	Agency EDC / Contract Admin. & Procure.	Contact Paul Tamboia (212) 312-3969	Address 110 William Street, New York, NY 10038

NON-SECURE DETENTION GROUP HOME SERVICES – Negotiated Acquisition – Judgment required in evaluating proposals - PIN# 13005DJJ001 – DUE 08-28-06 AT 3:00 P.M. – The Department of Juvenile Justice (DJJ) is seeking expressions of interest from qualified vendors to provide non-secure detention group home services. Since DJJ must respond to a court order, there is a time-sensitive situation in which DJJ must retain a supplier quickly, at one time or from time to time, permitting this procurement to be processed as a negotiated acquisition. Facilities should provide at least 10 and no more than 12 beds in accordance with the applicable regulations promulgated by the New York State Office of Children and Family Services (NYSOCFS), 9 N.Y.C.R.R. Section 180 et seq., and be operational at any time from December 1, 2004 to August 31, 2006. The term of the contracts awarded from this solicitation will be for three years and will include an additional three-year option to renew.

Vendors interested in providing these services should contact Harry T. Bavaro at the Department of Juvenile Justice, 365 Broadway, 5th Floor, New York, NY 10013 for a copy of the solicitation document if they have not already received a copy. If a vendor is interested in being considered for award of a contract described above, please hand deliver a written expression of interest addressed to contact Harry T. SALE AND REDEVELOPMENT OF PARKING LOT – Request for Proposals – DUE 10-20-04 AT 4:00 P.M. – approximately 74,500 square foot surface, owned by the City of New York (the City), located between 230th Street and Verveelen Place, east of Broadway, in the Kingsbridge-Riverdale section of The Bronx.

The goal of this Request For Proposals (RFP) is to generate a development that both complements and enhances local neighborhood businesses and improves upon the neighborhood as it relates to urban design. The successful proposal will capitalize on the Kingsbridge-Riverdale area's major retail and commercial center. The redevelopment of the parking lot will augment and be consistent with the existing office and merchant mix and connect retail and office uses primarily through the 230th Street and Broadway retail corridors.

All questions related to this RFP should be directed via e-mail to k-rRFP@nycedc.com by Friday, September 24, 2004. No questions will be accepted after that date. All questions and answers will be available to all potential respondents by close of business on Friday, October 1, 2004 at www.nycedc.com/k-rRFP.

Detailed submission guidelines and requirements are outlined in the RFP available as of August 9, 2004 from NYCEDC, 110 William Street, 6th Floor, New York, NY 10038. For more information and to request a copy of the RFP. The deadline for submission of proposals is October 20, 2004 at 4:00 p.m. Proposals are to be submitted to Paul J. Tamboia, Agency Chief Contracting Officer, NYCEDC, 110 William Street, 6th Floor, New York, NY 10038.

SUMMER FOOD SERVICE PROGRAM

Addition: The Program was established to ensure that children (ages 6-18) can be provided with healthy, well balanced meals during their school vacations. Snacks and lunch will be available to all children meeting the age requirements in each development. Each serving must be nutritious, well balanced, and appetizing they must also meet the necessary meal pattern requirements. Meals are

served according to the Department of Health Guidelines therefore the program will begin July 7, 2004 and end August 27, 2004. Locations serving an AM Snack will begin 9:30am-10:30am (snack) and 12:30pm-1:30pm (lunch). Locations serving a PM Snack will begin 11:30am-12:30pm (Lunch) and 2:30pm-3:30pm (Snack). We are looking forward to serving approximately 223,080 meals citywide throughout the 78 New York City Housing Authority Summer Developments.

MAINTENANCE AND CONSTRUCTION RELATED WORK – Application Forms for Pre-Qualification and additional Information may be obtained at HPD's Offices, Monday through Friday between the hours of 10:00 a.m. - 12:00 noon and 2:00 p.m. - 4:00 p.m., or by writing to: HPD, Division of Maintenance/Contractor Compliance Unit, 100 Gold Street, Room 6-S1, 6th Floor, New York, NY 10038.

Submission details are contained in the Pre-Qualification Application.

HPD invites suitably qualified contractors to join its bank of skilled vendors on the Pre-Qualified Panel, to perform emergency and non-emergency repairs and other maintenance and construction related work in city-owned and privately-owned buildings throughout New York City, which are managed by the Agency.

The list of vendors on the Pre-Qualified Panel will be used to solicit invitations to bid on high volumes of Open Market Orders (OMOs) and Purchase Orders (POs) for maintenance, repairs and construction/construction related services, valued up to \$100,000; or goods and services up to \$50,000.

Contractors who meet pre-qualification requirements and are approved, will be given the opportunity to apply for inclusion in various sub-categories of the Pre-qualified Bidder's List and on the after-hours and 24 hour emergency panel.

Contractors with positive integrity, strong financial capabilities, knowledge and experience, are

encouraged to apply for inclusion on lists for the following trades:

* DEMOLITION

- Demolition of entire buildings and/or land clearing of development sites.

* LEAD BASED PAINT ABATEMENT AND ANALYSIS

- Abatement, - Analysis (Dust Wipes/Paint Chips/Soil)

CONSULTING ENGINEERS AND ARCHITECTS

ENVIRONMENTAL IMPACT STATEMENTS – LIST 22

The Department of Design and Construction (DDC) requests applications from qualified consulting engineers and architects who are interested in performing Environmental Impact Statements for this Municipal Government Agency. The Department is aiming for excellent quality in developing environmental assessment statements for the infrastructure of the City of New York. The application process is ongoing; there is no deadline.

Consultants are invited to submit a Federal 254 and 255 Form and an illustrated brochure describing their professional experience. They are to include resumes of key personnel, and three client references with contact persons and telephone numbers. Qualified respondents will be called in for an interview to determine placement on this list.

Please address all correspondence to:

Consultant Liaison, Office of the Agency Chief Contracting Office, NYC Department of Design and Construction, 30-30 Thomson Avenue, Long Island City, NY 11101. Tel. (718) 391-1545, Fax (718) 391-1506.

Description

DEVELOP TRANSITIONAL RESIDENCES FOR HOMELESS ADULTS AND FAMILIES AND DROP IN CENTERS FOR ADULTS - Competitive Sealed Proposals / Judgment required - PIN# 071-00S-003-262 - DUE 12-30-2004 AT 5:00 PM

The Department of Homeless Services is soliciting proposals from organizations interested in developing and operating transitional residences for homeless adults and families including the Neighborhood Based Cluster Residence and drop-in centers for adults. This is an open-ended solicitation; there is no due date for submission. Proposals will be reviewed by the Department as they are received and contracts will be awarded on an on-going basis, until the agency's capacity needs are met. DHS reserves the right to award a contract on the basis of initial offers received without discussion. Contracts will be awarded to responsible applicants whose negotiated offers are determined to be the most advantageous to the City, taking into consideration the price and other such factors and criteria set-forth in the RFP. Contract award will be subject to the timely completion of contract negotiations between the agency and the selected proposer.

It is anticipated that the transitional residence contracts will range from 3 to 30 years including renewal options and depending on the financial terms and conditions.

Pursuant to Section 312 (c) (1) (ii) of the New York City Charter, the Competitive Sealed Bid

procurement method is not the most advantageous method because judgement is required in evaluating competing proposals, and it is in the best interest of the city to require a balancing of price, quality and other factors.

Thus, pursuant to Section 3-03 (c) of the Procurement Policy Board Rules, the open ended RFP will be used because the Department will select qualified providers to develop and operate transitional residences in order to address the need to create additional shelter capacity citywide. In addition, this open-ended method will provide interested applicants an opportunity to propose sites for the targeted population, as they become available for shelter development.

All proposers must meet the following minimum qualifications 1) must have a tax exempt status under 501 (c) (3) of the Internal Revenue Code and or be legally incorporated as a for-profit entity; 2) must demonstrate that they have, or can obtain by the contract start date, site control of the proposed Standalone facility location(s); and 3) must demonstrate an intent to enter into lease agreements with the owner(s) or management designee(s) for each property.

Any organization that believes it can provide these services may contact: John Iaffaldano, Associate Staff Analyst, Office of Contracts and Procurement at the Department of Homeless Services at (212) 361-8435, 33 Beaver Street, 13 Floor NY, NY 10004, to request a copy of the RFP application, which is available for pick-up only Monday through Friday on business days between the hours of 9 a.m. to 5 p.m.
