Job Description

As the first municipal consumer protection agency in the country, the New York City Department of Consumer Affairs (DCA) has ensured that businesses and consumers benefit from a fair and vibrant marketplace for over 40 years. Today, DCA regulates 55 industries and licenses and inspects almost 80,000 businesses throughout the five boroughs. The Department enforces the City's landmark Consumer Protection Law and related City and State laws; mediates thousands of consumer complaints; and prosecutes law-breaking businesses through our Administrative Tribunal.

DCA is committed to educating, empowering and protecting consumers; holding businesses to high standards of marketplace behavior; and achieving excellence in the delivery of innovative agency programs and services.

As a small agency with a big mission, every staff member at DCA plays a critical role in ensuring success. The Enforcement Division at DCA seeks an experienced employee to serve in the Enforcement Quality Assurance Specialist positions. The Quality Assurance Specialist will directly liaise with the Quality Assurance division to ensure procedures are adhered, violations are issued correctly, and data quality is maintained; identify any process gaps and suggest recommendations for improvement. The ideal candidate will possess excellent research, writing, analytical, and critical thinking skills; proving to be a motivated, detail oriented and highly organized individual. Responsibilities include but are not limited to:

- Managing logistics for Enforcement divisions Quality Assurance (QA) needs and trainings
- Reviewing and monitoring QA reports to ensure violations and scale inspections are issued correctly
- Researching and drafting written materials in an organized and time sensitive manner; including protocols, manuals, QA reports, etc.
- Developing and analyzing high quality reports and spreadsheets for a variety of projects
- Monitoring deadlines; collecting and reviewing data to ensure quality and completion
- Working with divisions and divisional liaisons to resolve QA issues
- Working with divisions on periodic reports and manage them
- Creating and updating training and reference materials
- Managing QA and divisional processes to ensure that no process is left without QA tool
- Perform other related tasks and special projects as necessary

Qualification Requirements

1. High school graduation or equivalent and three years of experience in community work or community centered activities in an area related to duties described above;
