Matter underlined is new; matter [in brackets] is deleted. The rule was not included in the agency's most recent regulatory agenda.

Statement of Basis and Purpose

Statutory Authority

The following rule amendments are proposed pursuant to the authority of the Commissioner of Buildings under Sections 643 and 1043(a) of the New York City Charter.

Pursuant to Local Law 39 of 2011, under Section 27-3021.2 of the New York City Administrative Code ("Administrative Code"), the Department may use any enforcement actions available to it under Chapter 2 of Title 28 of the Administrative Code for violations of the provisions of the New York City Electrical Code (Chapter 3 of Title 27 of the Administrative Code). The portion of Local Law 39 of 2011 amending Section 27-3021.2 will become effective March 1, 2012.

The Proposed Rule

The proposed rule amendments create violations for 35 different types of common Electrical Code conditions that Department of Building inspectors find in the field. These violations will discourage illegal work and provide incentives to electricians and others in the industry to comply with the standards and requirements of the Electrical Code. Currently Department of Building inspectors can only note that a condition must be corrected but cannot issue a violation to compel correction. This proposed rule will also bring the electrical trade in line with the plumbing, mechanical, and construction trades which are all currently subject to violations.

The Department assigned a classification to each violation based on its seriousness. Under subsection (b) of the Rule the classifications are:

- (1) **Immediately Hazardous Violation (Class 1):** Where the condition poses an immediately hazardous threat that severely affects life, health, safety, property, or the public interest, so as to warrant immediate corrective action.
- (2) **Major Violation (Class 2):** Where the condition poses a threat that affects life, health, safety, property, or the public interest but does not warrant immediate corrective action.

- (3) **Lesser Violation (Class 3):** Where the condition is neither an immediately hazardous nor a major violation.

Where there is more than one severity classification for the same charge, the issuing officer will determine which severity level to charge based on the condition observed.

Specifically, the proposed amendments:

- Reference the Electrical Code and its provisions for the purposes of issuing ECB violations. The Electrical Code is contained in Chapter 3 of Title 27 of the NYC Administrative Code.
- The administrative infractions are listed under their respective Administrative Code Section, 27-3XXX.
- Create a new subdivision of technical infractions
- The technical infractions are listed under a new subdivision of "EC" infractions. In 2001, the Department first adopted the National Fire Protection Association's NFPA 70 National Electrical Code (also known as the "National Electrical Code") and then created NYC-specific amendments. Section 27-3025 of the NYC Administrative Code (also known as the "New York City amendments to the National Electrical Code"), together with the National Electrical Code, are also known as the "Electrical Code Technical Standards."
- Create classifications and descriptions for the more common violations of the Electrical Code.

Section 1. Paragraph (2) of subdivision (i) of section 102-01 of subchapter B of chapter 100 of Title 1 of the Rules of the City of New York is amended and a new paragraph (8) is added, to read as follows:

(2) Chapter 1 of Title 27 of the NYC Administrative Code (also known as the "1968 Building Code") and Chapter 3 of the same (also known as the "Electrical Code"). References to these chapters of title 27 of the NYC Administrative Code begin with "27-" (for example, "27-371"). The citation "27-Misc." refers to provisions of Title 27 that are not specifically designated elsewhere in the table.

(8) Electrical Code Technical Standards. References to sections of the National Fire Protection Association NFPA 70 National Electrical Code as adopted and/or amended by New York City begin with "EC" (for example, "EC 250.14"). The citation "EC-Misc" refers to provisions of the Electrical Code Technical Standards that are not specifically designated elsewhere in the table.

§ 2. Subdivision (j) of section 102-01 of subchapter B of chapter 100 of Title 1 of the Rules of the City of New York is amended by adding, in numerical order, new entries relating to the NYC Electrical Code, as follows:

Consumer Bill of Rights Regarding Tax Preparers

YOU HAVE THE RIGHT TO KNOW:

- Identification and Qualifications of Tax Preparer.** The tax preparer must have one sign stating relevant qualifications, and maintain records proving those qualifications are real. Any advertised terms such as "expert," "master," "consultant" or "specialist" must be justified here.
- Fees and additional charges.** The tax preparer must have a sign showing exactly how his/her fees are computed, including the minimum charge, if any.
- Whether or not the tax preparer will represent you at a government audit.** Failing to have a sign that tells you this means that the tax preparer agrees to represent you or to provide representation.
- Whether the tax preparer is an attorney (Member of the Bar of the State of New York) or a CPA (Certified Public Accountant, certified by the NYS Dept. of Education, Office of the Professions).** A tax preparer must tell you if he/she is NOT an attorney or CPA (though he/she can still prepare your taxes). If a tax preparer uses the word "accountant" in an advertisement, then a Certified Public Accountant or Public Accountant must be present during all business hours, and must exercise control over all tax returns prepared there.

*Note that attorneys, CPAs, and IRS Enrolled Agents do not have to post these signs.

BEWARE OF REFUND ANTICIPATION LOANS (RALs)

- A Refund Anticipation Loan (RAL) is a high-interest loan made through a bank. A RAL is not an "instant refund." It is a loan that you must pay back to the bank.
- Using a RAL will cost you money and lower the total amount of your refund that you receive.
- While the bank making the loan will charge you fees and interest, the tax preparer facilitating the loan cannot add on any of his/her own charges or fees for preparing a RAL application.
- It is illegal for a tax preparer to disguise a RAL as an "instant refund," a "rapid refund," an "express refund," "fast cash," or by another similar term that hides that fact that a RAL is a loan.
- You cannot be required to take out a RAL.
- Ask your tax preparer about electronic filing, direct deposit and other options to speed up payment of refunds and to avoid using RALs.

YOU HAVE THE RIGHT TO RECEIVE:

- A written estimate** of the total cost for all charges related to each service offered by the tax preparer, including basic filing fees, interest rates, and Refund Anticipation Loan (RAL) processing fees. The estimate should tell you how long you can expect to wait for your refund.
- A photocopy of your tax return** prepared at the time the original is electronically filed or given to you to mail.
- An itemized receipt** listing the individual cost of each service and form prepared for you. The receipt must list the address and phone number where the tax preparer may be contacted throughout the year.
- Your original personal papers returned to you upon request**, when the original tax return is given to you for filing (unless the tax preparer is specifically permitted to retain such papers under state law).
- Every tax return prepared on your behalf signed by **the tax preparer.**

IT'S ILLEGAL FOR A TAX PREPARER TO:

- Ask you to sign a blank or incomplete tax return, or alter a tax return after it has been signed by you, without your written consent.
- Charge a fee based upon the amount of tax owed or refund due.

- Guarantee a specific refund amount, or guarantee that you will not be audited by any government tax agency.
- Request that you pay the tax preparer from a portion of your refund.
- Reveal any personal information to any person or business other than to you or your authorized designee.
- Have your tax refund mailed to the tax preparer, unless you have signed a power of attorney containing such authorization.
- Ask you to violate any governmental law, rule, or regulation.

IF YOU ENTER INTO A RAL, A TAX PREPARER FIRST MUST:

- Give you a single sheet of paper that tells you in English and Spanish:
 - how much your expected tax refund is
 - how much the bank will charge in fees for the RAL
 - the approximate RAL loan amount you will receive
 - the interest rate, expressed as the estimated annual percentage rate (APR) based on the amount of time the loan will be outstanding
 - the approximate date you would get your loan money if you take out a RAL
 - the approximate date you would get your refund if you do not take out a RAL
- Explain orally the information about a RAL in a language you understand.

For more information or to file a complaint against an individual offering tax preparation services, call 311 or visit nyc.gov/consumers

By law, the tax preparer must give you a free, current, and legible copy of this document before beginning any discussions about tax preparation services.
