NOTES:

1. Candidates for Re-practical license tests who may have missed a filing period as listed above should contact the Applications Section at (212) 669-7213 to arrange late filing. Late filing will close 2 weeks prior to the listed re-practical test date
2. Candidates who have passed the written test and have been absent from or have failed, one or two practical tests, have until the last date of the filing period to file for the next practical re-examination
3. Candidates are not permitted to file for a practical re-examination until the results of their previous practical test have been mailed.
4. Candidates must include a copy of their most recent Failure Notice along with their completed APPLICATION FOR RE-EXAMINATION (LICENSE) and the required filing fee.
- *5. Test dates are tentative and subject to change. The Test Date reflects the first day of testing for those tests which are administered over the course of more than one day.
