AGENCY DESCRIPTION (Max characters 3000)

As first responders to fires, public safety and medical emergencies, disasters, and terrorist acts, the FDNY protects the lives and property of New York City residents and visitors. The Department advances public safety through its fire prevention, investigation and education programs. The timely delivery of these services enables the FDNY to make significant contributions to the safety of New York City and homeland security efforts.

UNIT DESCRIPTION (Max characters 1000)

The Bureau of Facilities Management directs the design, construction, renovation and maintenance of all Fire Department facilities, including firehouses, EMS stations, warehouses, training facilities and emergency communication centers. The Organizational Safety and Health (OSHA) Unit monitors and investigates all uniform and civilian workplace safety/health issues and develops and implements remediation plans.
