Introduction

The following data table includes a wealth of information, from income to education, presented at the Community District (CD), borough, and citywide levels.

On the next page is an excerpt from the Brooklyn data tables that contains Brooklyn Community District 1 (Williamsburg/Greenpoint), Brooklyn borough, and citywide data; below the excerpt is a sample guide that shows how to interpret each column of data.

Readers might want to review this guide to using the Profile on Older New Yorkers before proceeding with the report.
