Section 101-03 of Title 1 of the Rules of the City of New York is amended by adding the following entry at the end of the table set forth in that section:

<u>Technical report filings</u> <ul style="list-style-type: none">• <u>Concrete</u>	<u>\$130 per filing</u>

STATEMENT OF BASIS AND PURPOSE

The foregoing rule amendment is promulgated pursuant to the authority of the Commissioner of Buildings under Sections 643 and 1043(a) of the New York City Charter.

This rule implements the fee structure provided for in section 28-112.8 of the NYC Administrative Code by setting forth the fees which may be charged by the Department pursuant to that section.

This amendment adds a fee to cover the current costs of processing technical reports relating to concrete, including the examination, inspection and testing performed to examine the results of concrete operations involving the placement, sampling, and testing of concrete and concrete mixture designs.

This rule establishes the filing fee for each filing of a concrete technical report.
