 - Applicants are limited to hold one S-97 or S-98 per company. The FDNY may allow more than one of each certificate (S-97 or S-98). The **ONLY** exception may be if the additional company is owned by the same principal(s). The applicant must submit a notarized, letterhead correspondence stating all pertinent information regarding the related ownership of the companies. The FDNY may require further proof of ownership.

- After **09/04/2012**, only the **S-97/S-98/T-97** Certification of Fitness holders working for an approved company are permitted to program, inspect, test and perform service of fire alarm systems.

- **All companies** programming, testing, inspecting and servicing of fire alarm systems must be approved by the FDNY.
