FSP Industry Notice # 5 **7/1/10**

New RCNY 404-01 replaces RCNY 6-01 & 39-01

The last group of rules re-promulgated, to coordinate with the new fire code are effective today. (Available on the web http://nyc.gov/html/fdny/html/rules/rules_overview.shtml)

Many are aware of the newly re-promulgated rule of the City of New York 404-01 which details a new format and guide line for a Fire Safety and Evacuation Plan in hotels, office buildings with an interior fire alarm (IFA) and the new Fire Safety and Evacuation Plan & Emergency Action Plan combined submittal.

DON'T CHANGE ANYTHING YET!!!

The compliance date for submission of plans in the newly promulgated format is postponed until January 1st, 2011.

ADDITIONAL INFORMATION WILL BE PROVIDED IN THE COMING MONTHS
