OFFICE TITLE <p style="text-align: center;">Electrical Engineer, L-III</p>	SALARY \$79,457-Minimum salary for full-time employees with less than 2 years of City Service \$91,376-Minimum salary for full-time employees with more than 2 years of City Service
BUREAU/DIVISION/UNIT <p style="text-align: center;">Facilities/Plant Operations</p>	LOCATION 316 Sgt. Beers Avenue, Ft. Totten, NY 11359

JOB DESCRIPTION

Under general supervision, candidate performs responsible supervisory work, or difficult and responsible work, in electrical engineering, such as the following: Section engineer in charge of a major electrical engineering section or equivalent; plans, assigns, and reviews the work of subordinates, prepares progress reports, and may represent an agency, department head, or top-level engineering or architectural officer or employee in relations with City departments and agencies, contractors and their representatives, damage claimants and their representatives, consultants, and the general public; engages in, or supervises the conduct of complex and important research, investigations, studies or examinations related to the engineering functions or activities of a department or agency; coordinates multiple projects of great technical complexity with major potential impact on agency engineering operations and/or the City's infrastructure and presents and defends proposals on major engineering projects to high level agency.

QUALIFICATION REQUIREMENTS:

1. A valid New York State Professional Engineer's License and four years of full-time experience in electrical engineering. A master's degree in electrical engineering from an accredited college will be accepted as equivalent to one year of the full-time experience in electrical engineering.

Special Note:
 In addition to above qualification requirements, to be eligible for placement in Assignment Levels II and III, individuals must have at least one year within the last three years of experience as a major contributor or a project leader on a complex project requiring additional and specific expertise in the disciplines needed to design or construct the project.

PREFERRED SKILLS:
 Minimum 3 years of Fiber Network Design
 Strong knowledge of Fiber Optics.
 Proficient in AutoCAD and GIS mapping software.
 A Motor Vehicle Driver License valid in the State of New York. This license must be maintained for the duration of employment

NOTE: New York City residency is required within 90 days of appointment. However, City employees in certain titles who have worked for the City for 2 continuous years may also be eligible to reside in Nassau, Suffolk, Putnam, Westchester, Rockland, or Orange County. Please note that only candidates considered for an interview will be contacted.

TO APPLY:
 NON-CITY EMPLOYEES/EXTERNAL CANDIDATES PLEASE GO TO <https://a127-jobs.nyc.gov/>
