

*OIG No. 12-0713*

*David Gonzalez*

*June 4, 2014*

Office of the President Summary

In June, 2014, the HHC Office of the Inspector General (OIG) notified the Office of the President & CEO at HHC that it had received correspondence from the New York City Department of Investigation (DOI) concerning the background investigation of David Gonzalez, appointed in August, 2011 as an HHC System Analyst. Such a DOI background investigation is a requirement of the appointment.

The DOI reported to the OIG that Mr. Gonzalez failed to complete the background investigation process due to his failure to be responsive to requests for information concerning his personal finances that are a requirement of the background clearance process.

OIG Report and Findings

Following review of the DOI findings, the OIG interviewed Mr. Gonzalez in April, 2014, where he again failed to be responsive. As a result, the OIG recommended termination.

Disposition by the Office of the President

The President's office accepts the findings and recommendations of the OIG. Mr. Gonzalez was terminated June 25, 2014.
