Film screening to be followed by panel discussion.

Thursday, August 4, 2016

6-9pm

SVA Theatre

333 West 23rd Street (between 8th and 9th Avenues)

***Making a Killing: Guns, Greed, and The NRA** tells the stories of how guns, and the billions made off of them, affect the lives of everyday Americans. It features personal stories from people across the country who have been affected by gun violence, including survivors and victims' families, and exposes how the powerful gun companies and the NRA are resisting responsible legislation for the sake of profit – and thereby putting people in danger. The film looks into gun tragedies that include unintentional shootings, domestic violence, suicides, mass shootings and trafficking - and what we can do to put an end to this profit-driven crisis. This film may not be appropriate for young children.*

Following the screening, we will be joined by a panel of experts who will lead a discussion about how we can take action to minimize gun violence.

Free and open to the public.
