

Forsyth Plaza Project

Forsyth St. between Division St. and Canal St.

Project # HWPLZ008M

The New York City Department of Design and Construction (NYCDDC) is managing the reconstruction of Forsyth Street Plaza in the Chinatown section of Manhattan. This reconstruction involves amenities including: tree planting, grass planting, decorative paving, a drinking fountain, a two-lane bicycle path and public art work. It also includes installation of water mains, service connections, and construction of catch basins, curbs, sidewalks and seating. This project has an anticipated completion date of Summer 2017.

Work Completed Fourth Quarter:

- Granite seating for steps
- Pavers
- ADA ramp

Proposed Work Schedule First Quarter:

- Electrical work
- Installation of PVC for telephone line
- Wing wall construction
- Retaining wall

Special Needs

Individuals with special needs who may be uniquely impacted by this project should contact the project's Community Construction Liaison, as soon as possible, to make them aware of your situation. DDC will work with you to attempt to minimize the inconvenience as much as possible.

Community Impacts

During construction hours, you can expect the following:

- Increased levels of dust, noise and heavy equipment.

- Parking and driveway/loading dock restrictions; signs will be posted within the affected areas.
- Emergency vehicle access and pedestrian access to sidewalk and buildings will be maintained at all times.

Trash Collection

Proper trash collection can be a challenge on a project as large as this but if everyone is considerate it can be managed with a modicum of disruption. Please pack your trash properly to avoid easy breakage and/or spill over. Put it in the designated areas as close to collection time as possible. If you use a private carter, ensure your trash collection occurs in a timely fashion. If you aren't sure where to bring your trash, please call the CCL.

Community Construction Liaison (CCL)

The DDC has assigned **Bridget Klebaur of Entech Engineering**, as the Community Construction Liaison (CCL) for this project. Please contact **Bridget** for any project related inquiries/concerns you may have:

Phone: (212) 966-5902 Fax: 212-966-5904
