01	Provide or enhance rental subsidies programs	Provide affordable housing subsidy for Covenant House/Hunter College Site RFP to maximize both affordable and supportive housing. MCB4 has long welcomed supportive housing targeted for Seniors, Homeless, disabled, and HIV/AIDS residents within it's borders. This Large Scale Development plan will accommodate a modern facility for Covenant House, at least 60 % of permanently affordable units at various level of AMI beyond 60%, 100 units of at risks youth housing, the preservation and building of the Hell's Kitchen library and green open space, while preserving space for the infrastructure needed to build out the #7 subway station at 41st street and 10th Avenue. Height will be limited to 45 stories on the Avenue and 20 stories on the side street.	Location Site Block: 1050 Lot: 1613 Site Street: 10th Avenue Cross Street 1: West 40th Street Cross Street 2: West 41 Street	Department of Housing Preservation & Development	03	The agency agrees with this request, but funding cannot be determined at this time	The agency will try to accommodate this issue within existing resources.	
02	Provide or enhance rental subsidies programs	Provide affordable housing subsidy for Slaughterhouse Site RFP located at 495 11th Ave. This 100% permanently affordable development will satisfy two commitments made by the City in the rezoning for affordable apartments to be built on Site M, and on the 20th Street sanitation parking space. It will be affordable at 80 to 165% of AMI. The project will have a height of 45 stories, will include an affordable supermarket and not include a hotel. http://www.nyc.gov/html/mancb4/downloads/pdf/2015%20PDFs/july/37%20CHKLU%20letter%20to%20EDC%20re%20Slaughterhouse%20and%20RPF%20Process.docx.pdf	Location Address: 495 11th Avenue	Department of Housing Preservation & Development	06	The agency does not/cannot give priority to funding this request	This request is not recommended for funding.	The agency does not support giving priority to fund this request. The Slaughterhouse site is the subject of a request for proposals ("RFP") for the long-term lease and redevelopment of 495 11th Avenue, released on August 31, 2015. The proposal includes substantial subsidy through the disposition of land at a below market value. As outlined in the RFP and as stated publicly, HPD will not be providing additional subsidy through its term sheets. Among other criteria, responses to the RFP are being evaluated based on the feasibility of maintaining long-term affordability of residential units through cross-subsidy from proposed market rate components on the site.
03	Upgrade existing facilities for the homeless	Upgrades to the heating and air conditioning systems and amenities such as kitchenette are needed for the Aladdin Shelter located at West 4th Street between 8th and 9th. 13	Expand public programming and activation of public spaces on City-owned sites	Fund Block 4, 5 and 6 of Hudson Boulevard Park Rezone northern part of Hudson Yards to complete the park and allow more residential uses. Blocks 3 to 6 of the Hudson Yards Boulevard are not currently funded. A rezoning of Hudson Yards North is needed to provide a mechanism to fund the park, and to reflect the realities of the market, which needs to give priority to residential development in this area.	Location Site Name: Hudson Blvd Park	Economic Development Corporation	07	The agency requires additional information from the community board regarding this request	More information is needed from the community board before making a funding decision. The community board should contact the agency.	
14	Rehabilitate or renovate existing fire houses or EMS stations	Accelerate the implementation of Shore power Alternative Energy Pilot Program at curbside locations. This program would eliminate the noxious diesel fumes emanating from the idling emergency vehicles at the the Temporary 23rd Street EMS station (FDNY). These fumes are a major health concern for the resident of adjacent units.		Fire Department	02	The agency agrees with this request, will accommodate in part	This project was funded in a prior fiscal year and the scope is now underway.	We continue work on a project to place charging stations at the street-corner locations Citywide where ambulances are normally dispatched to medical emergencies from (allowing ambulance crews to turn off their motors but be able to maintain ambient temperatures within the crew / patient compartments and power to all Department radio and computer systems). As part of this program all new ambulances are being purchased with an auxiliary power unit. This unit will also allow the motor to be turned off while keeping critical systems active. Additionally ambulance crews will be able to use the proposed charging stations to re-energize the auxiliary power unit to ensure the auxiliary unit remains viable and that engine idling may be reduced as much as possible.

CM Johnson's funding appropriation went to underfunded school safety projects in Council District 3. Raised pedestrian crossings cannot be funded with capital money. Due to operational constraints, we cannot implement raised crosswalks on bus or truck routes, or on streets with more than one lane in each direction.
27	Other transit infrastructure requests	Work with MTA to dedicate \$2 million to complete the work of the #7 Train Extension Study Group to extend the #7 train to Frank R. Lautenberg Station (FRL Station) in Secaucus.		Transit Authority			For information regarding the status of this Request, contact the Transit Authority directly at telephone number 646-252-2660.	

28	Create a new, or renovate or upgrade an existing public library	CB4 recommends adding libraries in proportion to the residential development in our neighborhoods. Such as building the Library on West 40 Street between 9th and 10th Avenues.	Location Site Street: West 40th Street Cross Street 1: 8th Avenue Cross Street 2: 9th Avnue	New York Public Library	08	This request requires further study	Further study by the agency of this request is needed.	
29	Other transit service requests	MCB4 continues to receive complaints about deficiencies in various aspects of the Para-transit system, Access-a-Ride service. Additional vehicles as well as upgrades vehicles are needed. better customer service training is needed.		Transit Authority			For information regarding the status of this Request, contact the Transit Authority directly at telephone number 646-252-2660.	
30	Repair or construct new sidewalks, curbs or pedestrian ramps	Fulfill the city commitment to install ADA compliant ramps at intersections - Dyer Ave and W. 34th street - North side of West 42 Street and Dyer Avenue - where ramp is missing - South west corner of 39th street and 8th Avenue ramp is unusable - West 48th Street and Eighth Avenue the ramp is missing In addition, Install up to 30 audible pedestrian signals - Especially at 15th street and 9th Avenue.		Department of Transportation	02	The agency agrees with this request, will accommodate in part	Please contact the Borough Commissioner's office to discuss this request.	Dyer Ave at West 34th Street is on DDC list. At this location there is a tree pit. Dyer Ave W36th Street has existing ramps. APSs are installed based on a prioritization tool rather than a borough by borough allocation. Our ranking system looks at factors such as crosswalk length, posted speed limit, distance to facilities providing services to the blind or visually impaired, distance to transit facilities, distance to major pedestrian attractions, distance to alternative APS crosswalks, street geometry, signalization and pedestrian signal controls. This year we will have a minimum of 75 APSs installed citywide.
31	Build new, expand or repair storm sewers	Expand funding to expedite wait list of broken catch basins. - Northeast corner of West 42 Street and 9th Avenue, has been flooded for 5 years - Northeast and Northwest corners of West 23rd street and 9th Avenue, - Northeast corner of 21st Street at Tenth Avenue. - All corners of Tenth Ave and West 21st & 20th Street.		Department of Environmental Protection	01	The agency agrees with this request, will accommodate	In past five years (FY 2011 to FY 2015) catch basin complaints declined 16%. Based on recently passed legislation beginning in FY 2017, DEP's 148,000 catch basins will be inspected on a 1-year rotation, and will be cleaned and repaired as needed and also in response to 311 complaints. DEP anticipates that this new legislation will cost DEP an additional \$3-\$4 million per year (beginning in FY 17)	
32	Repair or construct new sidewalks, curbs or pedestrian ramps	Fulfill the city commitment to reduce radius of West 35th Street turn at Dyer Avenue (Hudson Yards rezoning follow up actions, Western Rail yards negotiations.	Location Site Street: Dyer Avenue Cross Street 1: West 35th Street Cross Street 2: West 35th Street	Department of Transportation	07	The agency requires additional information from the community board regarding this request	Please contact the Borough Commissioner's office to discuss this request.	Please contact MBCO to further discuss this request.

33	Other NYPD facilities and equipment requests	Relocate the Tow Pound from Pier 76: The Hudson River Park Act calls for the City to use its best efforts to find a new location for the existing tow pound so that Pier 76 can be developed as 50% parkland and 50% compatible commercial use. We urge the City to consider alternatives as soon as possible so that Pier 76 can take its rightful place as part of Hudson River Park.		Police Department	08	This request requires further study	After extensive search by NYPD, no site is available.	
34	Provide a new or expanded park or amenity (i.e. playground, outdoor athletic field)	Fund a new park at West 48th Street and 10th Avenue as committed to during Western Rail Yard rezoning and negotiations.	Location Site Street: 10th Avenue Cross Street 1: West 48th Street Cross Street 2: West 49th Street	Department of Parks and Recreation	03	The agency agrees with this request, but funding cannot be determined at this time	Department of Parks and Recreation funds are insufficient for this project. We recommend this project be brought to the attention of your elected officials, i.e. Borough President and/or City Council member.	DEP has pledged \$1 million towards this project, but additional funding is needed.
35	Install streetscape improvements	Build bulb out for the Westbound M34 SBS stop at Eighth Avenue, which was put on hold due to adjacent construction.	Location Site Street: 8th Avenue Cross Street 1: West 34th Street Cross Street 2: West 34th Street	Department of Transportation	01	The agency agrees with this request, will accommodate	The agency will accommodate this issue within existing resources.	This bulb out will be added to a DDC contract for capital construction, pending the completion of the noted construction at the New Yorker Hotel
36	Provide new or expand green infrastructure, e.g. greenbelts, bio swales	Expand permeable surface and sidewalk bio swale pilot program to include MCD4: The New York City Council passed a bill in 2014 to begin a pilot program of using permeable sidewalk surfaces to reduce runoff from entering our combined sewage system. MCB4 would like to extend that pilot program to our district, which includes High Risk Flood Zones in some of our neighborhoods. In addition to this measure sidewalk swales used in other parts of the city should be installed within our district. The pedestrian islands that were installed to accommodate the separated bike lines along Eighth, and Nine Avenues would be optimal locations for sidewalk swales. Notably all new parks should minimize run offs.		Department of Environmental Protection	08	This request requires further study	Further study by the agency of this request is needed.	A significant part of our wastewater treatment budget is \$746 million in funding to cover planned consent-order work related to the Long-Term Control Plans (LTCPs) for combined sewer overflows (CSOs) and stormwater control
37	Other park maintenance and safety requests	DPR vehicle: Our District is in need of DPR vehicles including a refuse loader and van for the transportation of seasonal employees.		Department of Parks and Recreation	03	The agency agrees with this request, but funding cannot be determined at this time	Department of Parks and Recreation funds are insufficient for this project. We recommend this project be brought to the attention of your elected officials, i.e. Borough President and/or City Council member.	
38	Provide technology upgrade	Fund I pads for P.S. 111 at 440 West 53 Street	Location Site Name: P.S. 111 Address: 440 West 53 Street	Department of Education	06	The agency does not/cannot give priority to funding this request	Unable to prioritize funding for this project request at this time.	

39	Other transit service requests	Consolidate Ninth Avenue and Dyer Avenue 34A bus stops into a single bus stop west of Ninth Avenue. As discussed during the installation of the SBS.	Location Site Street: West 34 Street Cross Street 1: 9th Ave Cross Street 2: Dyer Ave	Transit Authority			For information regarding the status of this Request, contact the Transit Authority directly at telephone number 646-252-2660.	
40	Reconstruct streets	Reconstruct Ninth Avenue from West 55th to 34th Streets to implement changes resulting from the DOT study now underway. Implement neck downs on each street block directly to the East and West of Ninth Avenue.	Location Site Street: 9th Avenue Cross Street 1: West 55th Street Cross Street 2: West 34th Street	Department of Transportation	02	The agency agrees with this request, will accommodate in part	Further study by the agency of this request is needed.	DOT has already implemented geometric changes including pedestrian refuge islands. Side street neck downs would require individual analysis and specific locations should be brought to the attention of MBCO.
41	Provide a new NYPD facility, such as a new precinct house or sub-precinct	Provide a new NYPD facility and precinct district for CD4: It is time to regroup all of MCB4 within a single precinct that incorporate all the new areas in development for commercial and residential use. These combined with the exponential influx of residents, commuters and businesses in and around Hudson Yards calls for the creation of a new precinct and a redistribution of territory. We request the remapping of our district from 4 precincts to 1 or at most 2 precincts		Police Department	06	The agency does not/cannot give priority to funding this request	This is not recommended for funding because it is not an efficient use of resources to open a new police precinct or substation. To establish an additional precinct requires splitting personnel resources (including additional administrative positions) between the existing precinct and the new precinct. Consequently, the net effect may result in a reduction of officers available for patrol in the precinct because the new facility would require adequate administrative and support staff.
