ENVIRONMENTAL REVIEW

Project number: DEPUTY MAYOR FINANCE/ECO DEV / 11DME007M
Project: GOVERNOR'S ISLAND PHASED REDEVELOPMENT
Date received: 2/4/2013

The LPC is in receipt of the draft Construction chapter of the DSGEIS dated 1/25/13.

The text for architecture is acceptable.

The language pertaining to archaeology should be changed as follows: (1) The text currently states that, "...disturbance around or below these buildings would be required for their reuse." should be changed to, "disturbance may be required as part of these actions." and (2) The text now states that LPC "and/or" the SHPO must be consulted. It should state that "LPC and the SHPO will be consulted."
