

New York City Deferred Compensation Plan

Welcome to the New York City Deferred Compensation Plan!

This booklet briefly describes the New York City Deferred Compensation Plan (NYCDCP), an umbrella program consisting of the 457 Plan and the 401(k) Plan. NYCDCP is a retirement savings plan which lets you save for the future through easy payroll deductions.

Contributions made on a pre-tax basis into the 457 and the 401(k) allow you to put aside a portion of your pay before federal, state, and local income taxes are taken out. Your taxes will be reduced as a result of the contributions you make, and your contributions and the earnings on them will accumulate tax-deferred.

Contributions made on an after-tax basis into the 457 and the 401(k) allow you to contribute a portion of your pay after taxes have been taken out and the earnings on your contributions may be tax-free upon withdrawal.

These programs contain many attractive features. They are tax-favored plans, where you have the choice of either creating your own investment portfolio using NYCDCP's core investment options or selecting a single professionally managed pre-arranged portfolio.

Within this booklet, you will find a comparison chart of the 457 and 401(k) programs, as well as information about NYCDCP's investment offerings. An Enrollment Form is attached. Please refer to the Summary Guide of 457 and 401(k) Plan Provisions, or visit NYCDCP online at nyc.gov/deferredcomp, for more information about the program and its investment offerings.

As you take the step to enroll, also consider consolidating your other retirement savings in the low-cost NYCDCP. Every dollar you don't pay in investment management fees results in one dollar more in investment return. The 401(k) Plan can accept rollovers from eligible retirement plans and IRAs. The 457 Plan can accept transfers from other employer 457 plans. Keeping track of your retirement assets is easier when they are all in the same place.

We are pleased to offer you these programs and feel they are an excellent opportunity for you to save now for the future.

Comparing Programs

The chart below highlights the similarities and differences between the 457 Plan and the 401(k) Plan as well as contributing on a pre-tax and Roth (after-tax) basis. Because future tax rates are uncertain, your tax rate could be the same or higher in retirement. To diversify against this risk, it may help to hold a combination of pre-tax savings (which will benefit you if tax rates fall in retirement) and Roth (after-tax) savings (which will benefit you if tax rates rise).

Investment of Deferred Compensation Plan Contributions

You determine how you want your 457 and/or 401(k) Plan contributions (deferrals) invested. For convenience and simplicity, the Deferred Compensation Plan offers you 12 pre-arranged portfolios, which are made up of several of the Plan's core investment options. We recommend that you choose to invest in either one of the pre-arranged portfolios or create your own portfolio from the core investment options offered. If you are enrolling in the 457 and the 401(k) and wish to have a different Investment Allocation and/or Beneficiary Election for each plan, you must complete separate Enrollment Forms. Otherwise, your elections will be the same for each plan in which you are enrolling. If you choose to contribute to the 457 or the 401(k) on both a pre-tax and Roth (after-tax) basis, your Investment Allocation and Beneficiary Election will automatically be the same in that plan.

Pre-Arranged Portfolios

How to choose a portfolio: Use either your current age or the number of years until you expect to begin distribution payments, as a guide, whichever better suits your personal circumstances.

How to use this chart:

1. You can begin your payouts any time upon severance from City service. However, you must begin to take Required Minimum Distributions by the April 1st of the year following the calendar year in which you reach age 70½ or upon severance from City service, whichever is later.
2. The 2005 and 2000 Funds have been named under the assumption that people using these funds have been in payout for at least five and ten years, respectively.
3. The Static Allocation Fund is the final portfolio into which all the portfolios roll down. This portfolio's asset allocation will remain fixed at 20% equities and 80% fixed income.
4. The portfolios are rebalanced quarterly, becoming gradually more conservative over time until arriving at the allocation of the Static Allocation Fund. The equity/fixed income mixes indicated above were the starting points of each portfolio. Every five years, a new portfolio is created as the most aggressive option.

The Pre-Arranged Portfolios

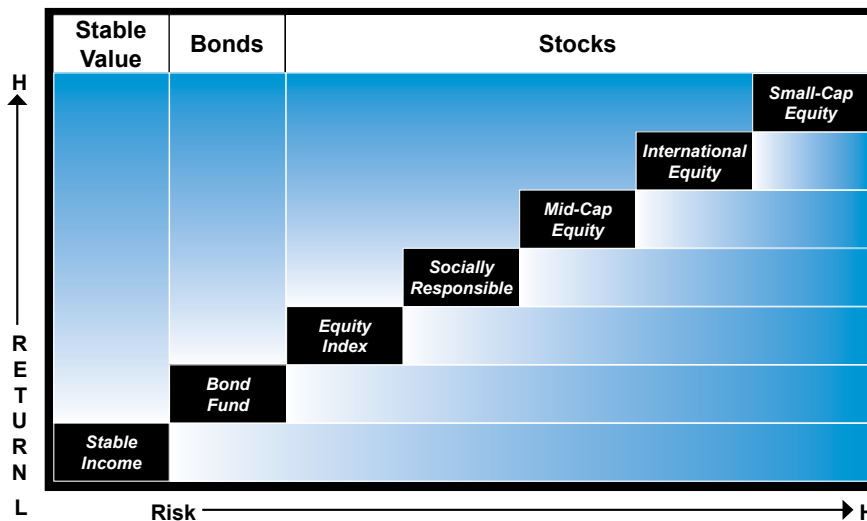

Core Investment Options

When creating your own portfolio, keep in mind that your total allocation must add up to 100%. You can choose to be invested in any combination of the investment options offered. You determine the mix that's right for you.

Risk: Is the measurable possibility for gain or loss. All investments involve some degree of risk.

Return: Is the gain or loss on your investment, usually expressed as an annual percentage rate.

Rule: You can generally increase your chances of achieving higher returns over the long term through assuming higher risk. By assuming higher risk you also increase your chances of sustaining losses on your investment. No investment can guarantee a positive return or fully protect you against loss. It is possible to lose money on even the lowest risk investments.

Please refer to the [Summary Guide of 457 and 401\(k\) Plan Provisions](#) or visit the Plan online at nyc.gov/deferredcomp for more detailed information about the Deferred Compensation Plan's investment offerings.

SECTION 2

ENROLLMENT & DEFERRAL PERCENTAGE

Please indicate in which plan you would like to enroll. If you are enrolling in both the 457 and the 401(k) on this form, your Investment Allocation and Beneficiary Election will be the same for each plan. You must complete a separate Enrollment Form for each plan if you wish to have different elections for each plan. If you choose to contribute to either the 457 or the 401(k) on both a pre-tax and Roth (after-tax) basis, your Investment Allocation and Beneficiary Election will be the same in each plan. **Do not complete this Enrollment Form if you are already enrolled in the 457 or 401(k) Plan and wish to elect Roth (after-tax) deferrals.** In order to start making Roth deferrals you must access your 457 or 401(k) account either through KeyTalk® or the Plan's Web site and select a Roth deferral amount when "changing your deferral percentage." CUNY Community College employees are only eligible to participate in the 401(k) Plan. Please allow 30 days for payroll deductions to take effect.

This section is also for initial selection of your deferral percentage. The maximum allowable annual deferral amount is \$17,000 for 2012. If you will be age 50 or older during the calendar year, your maximum deferral limit is \$22,500 for 2012. Enter your deferral percentage in the boxes indicated selecting 1.0% (minimum) up to 50.0% (maximum) in increments of 0.5%. If you choose to contribute to both the 457 and the 401(k) your combined deferral election, pre-tax and Roth (after-tax), cannot exceed 70% due to payroll requirements.

Once you become a participant, to change your deferral percentage, you must access KeyTalk® through the Plan's automated telephone voice response system at (212) 306-7760 (or at (888) DCP-3113 if you are calling from outside NYC), or go online at nyc.gov/deferredcomp using your PIN. Deferral percentage changes must be made in multiples of 0.5%. Deferrals to the Plan may be suspended or reinstated at anytime. Please note, deferral changes take approximately 30 days to go into effect.

SECTION 3

INVESTMENT ALLOCATION

This form should be used to direct investment allocations for new enrollments only. You may elect a pre-arranged portfolio which consists of varying percentages of the Plan's core investment options (Section I) or you may design your own portfolio (Section II), choosing among the Plan's core investment options. When choosing among the core investment options, please make sure the total of your allocations equals 100%.

If you are enrolling in both the 457 and the 401(k) on this form, your Investment Allocation will be the same for each plan. You must complete a separate Enrollment Form for each plan if you wish to have different elections for each. If you choose to contribute to the 457 or 401(k) on both a pre-tax and Roth (after-tax) basis, your Investment Allocation will be the same in each plan.

For a description of the investment funds, please refer to the Summary Guide of 457 & 401(k) Plan Provisions or the Plan's Web site at nyc.gov/deferredcomp. To change the investment allocation of your contributions after enrollment, you must access KeyTalk®, through the Plan's telephone voice response system, or you can access your account through the Plan's Web site at nyc.gov/deferredcomp. To access KeyTalk®, call (212) 306-7760, or call (888) DCP-3113 if you are calling from outside NYC, and have your Personal Identification Number (PIN) ready. Your PIN is also necessary for account access through the Internet. Investment allocations must be in multiples of 1%.

SECTION 4

BENEFICIARY ELECTION

If you are naming a person as your beneficiary, you should select "A Person" in the first box, even if your beneficiary is a minor child. Do not select "A Trust" unless you have already created the trust (or arranged for one to be created under your will). The Plan cannot establish a trust for you.

You must name a beneficiary when you enroll. If you die, your account balance or remaining payments will be paid in this order:

1. To your surviving primary beneficiary(ies);
2. If there are no surviving primary beneficiaries, to your surviving contingent beneficiaries;
3. If there are no surviving primary or contingent beneficiaries, to your surviving spouse;
4. If there is no surviving spouse, to your estate.

You may designate more than one primary beneficiary. You must also indicate the percentage you wish each primary beneficiary to receive upon your death. The total must equal 100%. You may also designate more than one contingent beneficiary. The percentages you wish each contingent beneficiary to receive upon your death must also total 100%. For example, you elect two primary beneficiaries and specify that each primary should receive 50% of your account balance upon your death. You also elect three contingent beneficiaries and specify that one contingent should receive 50% and the other two should receive 25% each (totaling 100%). The contingent beneficiaries will only receive your account in the event there are no surviving primary beneficiaries.

If you are enrolling in both the 457 and the 401(k) on this form, your Beneficiary Election will be the same for each plan. You must complete a separate Enrollment Form for each plan if you wish to have different elections for each. If you choose to contribute to the 457 or 401(k) on both a pre-tax and Roth (after-tax) basis, your Beneficiary Election will be the same in each plan.

5 YOUR SIGNATURE: I agree to the Participation Agreement on the reverse side of this form. I wish to enroll in the Deferred Compensation Plan. I understand that the applicable Summary Guide of 457 & 401(k) Plan Provisions and Plan documents are controlling. I also understand that when I use telephone or Internet services to make changes to my account, I am authorizing FASCore, the Plan's recordkeeper, to act on my telephone or Internet instructions, and neither FASCore nor the City of New York will be liable for any loss due to market fluctuations while implementing any such instructions. I understand that FASCore will implement my instructions only when proper identification is simultaneously provided. This identification will consist of my Social Security Number and/or Username and my personal identification number (PIN). My PIN will be assigned to me initially by FASCore and will be mailed to me.

PARTICIPATION AGREEMENT

The Parties agree as follows:

Effective with respect to compensation paid in the calendar month following the date the enrollment is received by the Plan Administrator, the employee's compensation will be reduced by the percentage specified on the reverse side in (2) Enrollment & Deferral Percentage Information. Said amount shall be deferred in accordance with the Deferred Compensation Plan for Employees of the City of New York and Related Agencies and Instrumentalities or the 401(k) Plan for Employees of the City of New York and Related Agencies and Instrumentalities depending on which plan or plans the employee enrolls in. Investment options offered under the Plan are subject to change. By signing Section (5) Your Signature of the Enrollment Form, the employee authorizes: a) the employer to make payroll deductions of said amount from the compensation otherwise payable to the employee, and b) the Plan to withdraw, from the account, the Plan's administrative fees. Deferrals to a 403(b) plan reduce the amount the employee may defer to a 401(k) plan and vice versa.

The employee understands that his or her participation in the Deferred Compensation Plan is governed by the applicable Plan Documents, the Internal Revenue Code, and state and local laws and regulations. The employee also understands that the Deferred Compensation Board reserves the right at any time to amend, suspend or terminate the Plan, any deferrals thereunder, and any option, in whole or in part, for any reason without the consent of any employee. Tax rules affecting savings and distributions are subject to changes in the applicable laws and regulations. The Plan also reserves the right to recover any amount erroneously credited to the employee's account.

This Participation Agreement shall be legally binding and irrevocable with respect to compensation earned while it is in effect. The employee may make changes to the Participation Agreement which are allowed under the Plan by completing a Change Form, by calling the Plan's automated telephone voice response system, or through the Internet, whichever is applicable. The employee understands that he or she will be responsible for any changes made through the telephone voice response system and the Internet and for safeguarding his or her personal identification number (PIN) which will be required to access his or her account through the telephone voice response system or the Internet.
