COMPLYING WITH LOCAL LAW 84 EPA PORTFOLIO MANAGER BENCHMARKING TRAINING

New York City's Local Law 84 requires all owners of buildings larger than 50,000 square feet to benchmark their buildings using the EPA's free, online benchmarking tool, "Portfolio Manager" by May 1, 2011.

**Do you know how to use
Portfolio Manager?**

**Will you be able to comply
with Local Law 84?**

This 3.5 hour course is perfect for anyone who will participate in complying with this new law:

- **Energy Service Provider**
- **Energy Managers**
- **Building Management Companies**
- **Owner Operator**

This Class Will Cover:

- **Common benchmarking standards and data collection protocols**
- **How to use the Portfolio Manager to identify energy and money saving opportunities**
- **Hands-on practice entering data into the EPA Portfolio Manager site**
- **What the new law requires**

For course dates and registration go to: www.aeanyc.org/benchmarking.

- **Registration and payment are required for admittance.**
- **Space is limited so please reserve your spot now.**
- **Course fee: \$50**
- **Telephone: (718) 292-6733**
