

# LaGuardia Airport Pick up multiple passengers, earn more money

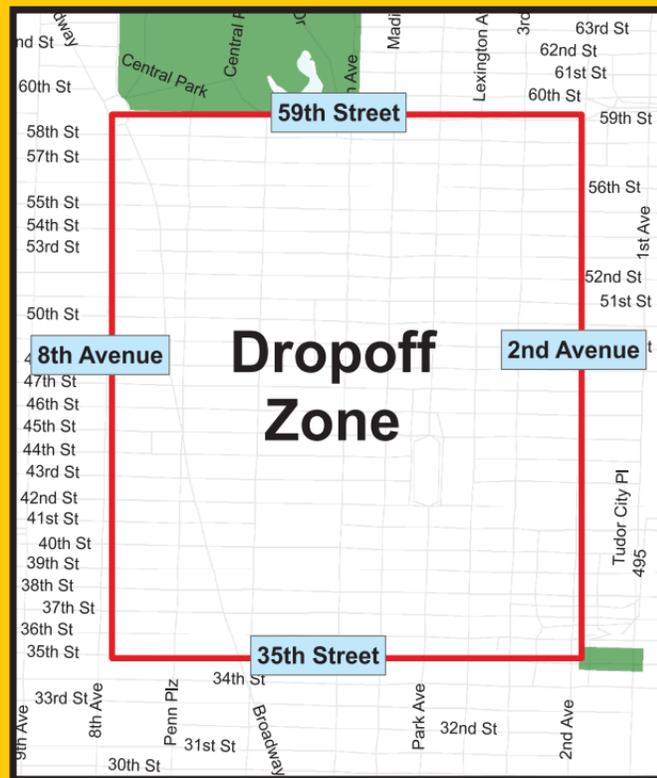

## How LGA Group Rides Work

1. Begin the ride when two or three passengers enter your vehicle or whenever your trunk is full. You may wait up to five minutes for a third passenger to arrive.
2. Group Ride taxi stands are located at Marine Air Terminal and Delta Shuttle and operate Monday through Friday, between 7 AM – 10 AM & 4 PM – 8 PM.
3. Passengers picked up at a LGA group ride stand must be dropped off within the specified zone in Midtown Manhattan (See map).
4. You may not pick up additional passengers during the ride.
5. You must use your meter for group rides.
6. *Fare is \$22/person with two passengers and \$18/person with three passengers. Fare includes all tolls, taxes, and surcharges.*

## How to Use the Meter for LGA Group Rides

1. Begin a negotiated fare (*Rate Code 5*) in the amount of \$17.50 or \$21.50, depending upon the number of passengers in your vehicle when you depart from LGA, and accept the state surcharge (\$0.50).
2. End the fare when the first passenger reaches their destination.
3. Begin another negotiated fare (*Rate Code 5*) in the amount of \$18 or \$22, depending on the original number of passengers. Do not add the state surcharge (\$0.50).
4. End the fare when the second passenger reaches their destination.
5. If there is a third passenger, begin another negotiated fare (*Rate Code 5*) in the amount of \$18. Do not add the state surcharge (\$0.50).

**NOTE:** The State Surcharge is only added into the first fare of the trip.

# Port Authority Bus Terminal

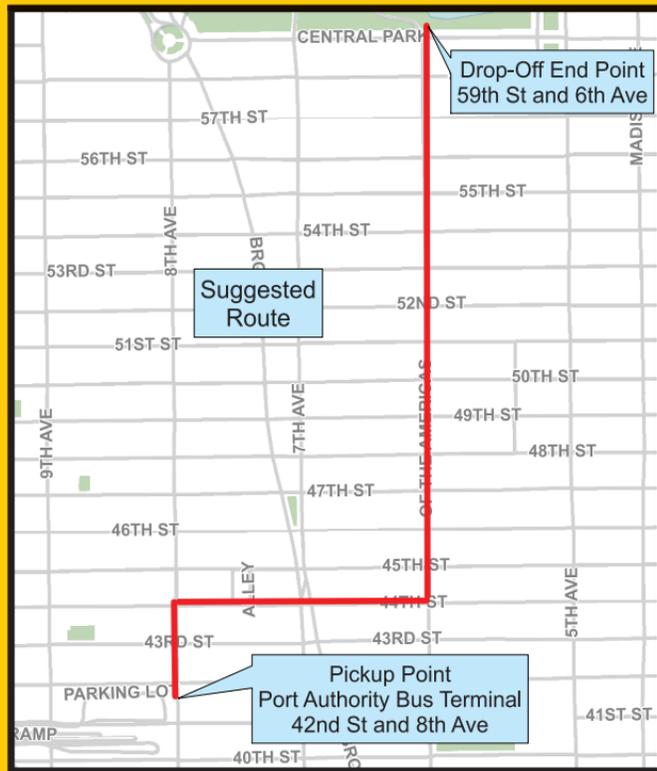

Pick up multiple passengers, earn more money

## How Group Rides Work

1. To use the Port Authority Group Ride taxi stand, you must be willing to wait for at least two passengers to enter your taxi.
2. The Group Ride taxi stand is in operation Monday through Friday, between 6 AM and 10 AM.
3. Passengers you pick up at the Port Authority Bus Terminal Group Ride taxi stand may exit along your route to 6th Ave and W. 59th St (See suggested route on map).
4. You may not pick up additional passengers along the route.
5. You must use your meter for group rides.
6. *Fare is \$3/passenger. Fare includes all tolls, taxes, and surcharges.*

## How to Use the Meter for Group Rides

1. Press **Code 6** on meter or Driver Information Monitor screen (DIM) (varies by meter model).
2. Select group ride fare rate — It will be listed as \$3 or \$2.50 + 0.50¢ state surcharge, depending on meter model.
3. Enter the number of passengers.
4. You may have to rehire the meter for each passenger wanting to pay with a credit/debit card.
5. State surcharge applies once to the trip, not to each passenger.
