ATTENTION COMMERCIAL E-ZPASS ACCOUNT HOLDERS

E-ZPASS PLUSSM NOW AVAILABLE AT JFK

The Port Authority of New York and New Jersey (PANYNJ) has advised the TLC that E-ZPass Plus, a special service that allows you to pay for parking using your existing E-ZPass account, is now available at JFK Airport. For New York Pre-paid/Commercial Account holders to use E-ZPass Plus, they must activate their accounts by calling the New York Service Center at 1-800-333-8655.

To use E-ZPass Plus:

- **You must establish your account with the NY Service Center.**
- **You must replenish your account with a credit card.**
- **If you are a pre-paid/commercial account holder, you must ACTIVATE your account by calling the NY Service Center.**
- **Individual account holders are automatically activated for E-ZPass Plus.**

How does it work?

- **Take a ticket when you enter a JFK parking lot.**
- **Use a lane marked with a purple E-ZPass Plus sign when you exit.**
- **Insert your ticket into the reader at the cashier's booth.**
- **Exit when the gate goes up.**
- **If the parking fee is less than \$20, it will appear as a charge on your monthly E-ZPass statement and will be deducted from your E-ZPass account balance.**
- **If the fee is \$20 or more, it will be charged directly to the credit card used to replenish your E-ZPass account.**
- **All transactions will be reflected on your E-ZPass statement.**

Please Note:

- **A receipt is available for all E-ZPass Plus transactions.**
- **ExpressPay customers may use "E-ZPass Plus" lanes to exit.**

The PANYNJ plans to implement E-ZPass Plus at Newark Liberty International and LaGuardia Airports in mid-2003.
