

Industry Notice #09-19
For Immediate Release

September 29, 2009

Attention: Medallion Taxicabs

YOU MUST POST A NEW TAXI FARE STICKER BY NOVEMBER 1, 2009

New York State passed a new law that adds a 50-cent "State surcharge" to taxi trips. The fare stickers have been changed to show this \$0.50 increase. You must have the new fare stickers in place by 11:59 p.m. on October 31, 2009.

You can buy these stickers from any TLC authorized printer. There is a list of authorized printers on TLC's Web site at: www.nyc.gov/tlc under "Safety & Emissions" and "New Taxicab Logo".

NOTE: Even though the new fare sticker shows a \$3 initial fare, the TLC has not changed the initial fare from \$2.50. The sticker shows \$3 so that it fits on the sticker. The \$3 includes the \$2.50 initial fare and the \$0.50 State surcharge.
