TLC APPROVES FIFTH E-HAIL APP PROVIDER FOR SERVICE IN NYC TAXICABS

TLC-Licensed Medallion Taxicab Drivers May Participate in Pilot Program

Today, the New York City Taxi and Limousine Commission (TLC) approved a fifth pilot participant in the E-Hail pilot program: **VeriFone, Inc.**

VeriFone, Inc. joins Uber, Hailo, TaxiMagic (by RideCharge), and Mobile Knowledge as TLC-authorized E-Hail apps.

The TLC would like to remind all industry participants that only licensed medallion taxi drivers in licensed medallion taxicabs may use this app (or any subsequently-named E-Hail apps) in compliance with the E-Hail pilot resolution, which can be found on the TLC website at http://www.nyc.gov/html/tlc/downloads/pdf/ehail_pilot_res_final_as_passed_12_13_12.pdf.

As pilot participants are named, TLC will issue additional industry notices. A current list of approved E-Hail pilot participants can be found at: http://www.nyc.gov/html/tlc/html/industry/current_licenses.shtml.
