A Message from NYC Voter Assistance Commission

September 22, 2008

Dear New Yorkers:

The New York City Voter Assistance Commission invites you to participate in the 2008 Voter Awareness Month program by attending one of the over 100 non-partisan voter registration drives and events in the five boroughs. Voter Awareness Month is by far the most extensive pre-election non-partisan voter education program in NYC.

The aim of Voter Awareness Month is to increase New Yorkers' participation in the election process. VAC reaches out to all New Yorkers particularly those populations that are traditionally underrepresented at the polls.

The 2008 Voter Awareness Month partners are the Daily News, the City University of New York (CUNY), Con Edison, El Diario and Hoy.

For more information and updates on any of these events, please call 311 or visit our website at www.nyc.gov/voter.

Sincerely,

Dr. Jeffrey F. Kraus
Chairman

Onida Coward Mayers
Executive Director
