

**ORDER OF THE COMMISSIONER
OF HEALTH AND MENTAL HYGIENE
TO REQUIRE COVID-19 VACCINATION FOR
DEPARTMENT OF EDUCATION
EMPLOYEES, CONTRACTORS, AND OTHERS**

WHEREAS, on March 12, 2020, Mayor Bill de Blasio issued Emergency Executive Order No. 98 declaring a state of emergency in the City to address the threat posed by COVID-19 to the health and welfare of City residents, and such order remains in effect; and

WHEREAS, on March 25, 2020, the New York City Commissioner of Health and Mental Hygiene declared the existence of a public health emergency within the City to address the continuing threat posed by COVID-19 to the health and welfare of City residents, and such declaration and public health emergency continue to be in effect; and

WHEREAS, pursuant to Section 3.01(d) of the New York City Health Code (“Health Code”), the existence of a public health emergency within the City as a result of COVID-19, for which certain orders and actions are necessary to protect the health and safety of the City of New York and its residents, was declared; and

WHEREAS, pursuant to Section 558 of the New York City Charter (the “Charter”), the Board of Health may embrace in the Health Code all matters and subjects to which the power and authority of the Department of Health and Mental Hygiene (the “Department”) extends; and

WHEREAS, pursuant to Section 556 of the Charter and Section 3.01(c) of the Health Code, the Department is authorized to supervise the control of communicable diseases and conditions hazardous to life and health and take such actions as may be necessary to assure the maintenance of the protection of public health; and

WHEREAS, the U.S. Centers for Disease Control (“CDC”) reports that new variants of COVID-19, identified as “variants of concern” have emerged in the United States, and some of these new variants which currently account for the majority of COVID-19 cases sequenced in New York City, are more transmissible than earlier variants; and

WHEREAS, the CDC has stated that vaccination is an effective tool to prevent the spread of COVID-19 and benefits both vaccine recipients and those they come into contact with, including persons who for reasons of age, health, or other conditions cannot themselves be vaccinated; and

WHEREAS New York State has announced that, as of September 27, 2021 all healthcare workers in New York State, including staff at hospitals and long-term care facilities, including nursing homes, adult care, and other congregate care settings, will be required to be vaccinated against COVID-19 by Monday, September 27; and

WHEREAS, section 17-104 of the Administrative Code of the City of New York directs the Department to adopt prompt and effective measures to prevent the communication of infection diseases such as COVID-19; and

WHEREAS, in accordance with section 17-109(b) of such Administrative Code, the Department may adopt vaccination measures in order to most effectively prevent the spread of communicable diseases; and

WHEREAS, pursuant to Section 3.07 of the Health Code, no person “shall do or assist in any act which is or may be detrimental to the public health or to the life or health of any individual” or “fail to do any reasonable act or take any necessary precaution to protect human life and health;” and

WHEREAS, the CDC has recommended that school teachers and staff be “vaccinated as soon as possible” because vaccination is “the most critical strategy to help schools safely resume] full operations... [and] is the leading public health prevention strategy to end the COVID-19 pandemic;” and

WHEREAS the New York City Department of Education (“DOE”) serves approximately 1 million students across the City, including students in the communities that have been disproportionately affected by the COVID-19 pandemic and students who are too young to be eligible to be vaccinated; and

WHEREAS, a system of vaccination for individuals working in school settings or other DOE buildings will potentially save lives, protect public health, and promote public safety; and

WHEREAS, pursuant to Section 3.01(d) of the Health Code, I am authorized to issue orders and take actions that I deem necessary for the health and safety of the City and its residents when urgent public health action is necessary to protect the public health against an existing threat and a public health emergency has been declared pursuant to such section; and

WHEREAS, on July 21, 2021, I issued an order requiring staff in public healthcare and clinical settings to demonstrate proof of COVID-19 vaccination or undergo weekly testing; and

WHEREAS, on August 10, 2021, I issued an order requiring staff providing City operated or contracted services in residential and congregate settings to demonstrate proof of COVID-19 vaccination or undergo weekly testing;

NOW THEREFORE I, Dave A. Chokshi, MD, MSc, Commissioner of Health and Mental Hygiene, finding that a public health emergency within New York City continues, and that it is necessary for the health and safety of the City and its residents, do hereby exercise the power of the Board of Health to prevent, mitigate, control and abate the current emergency, and hereby order that:

1. No later than September 27, 2021 or prior to beginning employment, all DOE staff must provide proof to the DOE that:
 - a. they have been fully vaccinated; or
 - b. they have received a single dose vaccine, even if two weeks have not passed since they received the vaccine; or
 - c. they have received the first dose of a two-dose vaccine, and they must additionally provide proof that they have received the second dose of that vaccine within 45 days after receipt of the first dose.
2. All City employees who work in-person in a DOE school setting or DOE building must provide proof to their employer no later than September 27, 2021 or prior to beginning such work that:
 - a. they have been fully vaccinated; or
 - b. they have received a single dose vaccine, even if two weeks have not passed since they received the vaccine; or

- c. they have received the first dose of a two-dose vaccine, and they must additionally provide proof that they have received the second dose of that vaccine within 45 days after receipt of the first dose.
3. All staff of contractors of DOE and the City who work in-person in a DOE school setting or DOE building, including individuals who provide services to DOE students, must provide proof to their employer no later than September 27, 2021 or prior to beginning such work that:
 - a. they have been fully vaccinated; or
 - b. they have received a single dose vaccine, even if two weeks have not passed since they received the vaccine; or
 - c. they have received the first dose of a two-dose vaccine, and they must additionally provide proof that they have received the second dose of that vaccine within 45 days after receipt of the first dose.

Self-employed independent contractors hired for such work must provide such proof to the DOE.

- a. they have been fully vaccinated; or
 - b. they have received a single dose vaccine, even if two weeks have not passed since they received the vaccine; or
 - c. they have received the first dose of a two-dose vaccine, and they must additionally provide proof that they have received the second dose of that vaccine within 45 days after receipt of the first dose.
4. All employees of any school serving students up to grade 12 and any UPK-3 or UPK-4 program that is located in a DOE building who work in-person, and all contractors hired by such schools or programs to work in-person in a DOE building, must provide proof to their employer, or if self-employed to the contracting school or program, no later than September 27, 2021 or prior to beginning such work that:
 - a. they have been fully vaccinated; or
 - b. they have received a single dose vaccine, even if two weeks have not passed since they received the vaccine; or
 - c. they have received the first dose of a two-dose vaccine, and they must additionally provide proof that they have received the second dose of that vaccine within 45 days after receipt of the first dose.
5. For the purposes of this Order:
 - a. “DOE staff” means (i) full or part-time employees of the DOE, and (ii) DOE interns (including student teachers) and volunteers.
 - b. “Fully vaccinated” means at least two weeks have passed after a person received a single dose of a one-dose series, or the second dose of a two-dose series, of a COVID-19 vaccine approved or authorized for use by the Food and Drug Administration or World Health Organization.
 - c. “DOE school setting” includes any indoor location, including but not limited to DOE buildings, where instruction is provided to DOE students in public school kindergarten through grade 12, including residences of pupils receiving home instruction and places where care for children is provided through DOE’s LYFE program.

- d. “Staff of contractors of DOE and the City” means a full or part-time employee, intern or volunteer of a contractor of DOE or another City agency who works in-person in a DOE school setting or other DOE building, and includes individuals working as independent contractors.
 - e. “Works in-person” means an individual spends any portion of their work time physically present in a DOE school setting or other DOE building. It does not include individuals who enter a DOE school setting or other DOE location only to deliver or pickup items, unless the individual is otherwise subject to this Order. It also does not include individuals present in DOE school settings or DOE buildings to make repairs at times when students are not present in the building, unless the individual is otherwise subject to this Order.
6. This Order shall be effective immediately and remain in effect until rescinded, subject to the authority of the Board of Health to continue, rescind, alter or modify this Order pursuant to Section 3.01(d) of the Health Code.

Dated: August 24th, 2021
